

FOODERA

EXPO 2026

October 20,21,22, 2026

SPECIALIZED FOOD PRODUCTS EXHIBITION

Organized with the support of the Samarkand Regional Administration

ABOUT FOODERA EXPO

FOODERA EXPO is a meeting place and business platform that brings together food producers, suppliers of equipment, and food industry technologies under one roof.

The exhibition enables industry professionals to find new partners, analyze the local market, evaluate product competitiveness, showcase innovations, and conclude profitable and long-term business agreements.

WHY PARTICIPATE?

- 01** Find partners from Central Asian countries and the southern and southwestern regions of Uzbekistan
- 02** Present your latest products and innovations to the entire industry
- 03** Enter new markets and strengthen your brand
- 04** Build new business partnerships
- 05** Discover new growth opportunities

FOOD & BEVERAGE MARKET IN CENTRAL ASIA AND NEIGHBORING COUNTRIES

The Central Asian region and Afghanistan have a combined population of more than 125 million people, making it one of the most promising consumer markets in Eurasia.

Retail food sales exceeded **182 trillion UZS** in 2024, equivalent to approximately **14–15 billion USD**.

In 2025–2026, the market continued its double-digit growth, driven by the expansion of retail chains, the growth of e-commerce, and rising household incomes

Estimated Food Market Size

15–18
billion USD

FOOD MARKET BY COUNTRY

Uzbekistan
15–18 billion USD

Kazakhstan
22–28 billion USD
